

Cohesive Technologies: Red Herring Top 100 Asia Winner

Manila – 16-09-2015 – **Cohesive Technologies** proudly announces that we have Bagged the Slot as the winner of Red Herring's Top 100 Asia, a prestigious award honoring the year's most promising private technology ventures in Asia.

The Red Herring editorial team judged the most innovative companies from a pool of thousands from across the continent. The nominees were evaluated on both quantitative and qualitative criteria, such as financial performance, technological innovation, quality of management, execution of strategy, and integration into their respective industries.

Since 1996, technology industry executives, investors, and strategists have valued the Red Herring 100 lists as an instrument for discovering and advocating the most promising private ventures from around the world.

The Red Herring Top 100 award highlights the most exciting startups from Asia, Europe and the Americas. Hundreds of companies from each region are reviewed in a rigorous 3-step process that looks at all aspects of the company.

"This award is a source of great pride to our firm and we are really thankful to every one who directly or indirectly helped us achieve the same," **said Ashdhir Kinra CEO and founder of Cohesive Technologies.**
